Belgaum Exhibition (participation & visit)

The Karnataka Rajya Vignayan Parishat has organised a exhibition cum competition for the degree students on the themes "Science Technology And Innovations For Mankind". Our college students 2 groups of 4 students each along with 3 faculty members have attended it in Belgaum on 8th sept 2018.

Our students got a very unique and fascinating experience about the different technology and innovation that took our science knowledge to another level. Our students had also made a model of Hi-tech Village which uses the clean and green energy for its daily life functions. Another group of our students have worked and prepared a model related to animal husbandry and explained about it in details other than this our students and faculty members have also visited the other models made by the students of different colleges. By this visit to Belgaum we have got a good knowledge about many science processes and projects that have been working in the benefit of mankind.

Anjuman college exhibition visit

Anjuman arts science commerce college vijayapur has conducted a pictorial exhibition highlighting the contribution of "scientists of middle ages" for 3 days ie from 14 th march 2019 to 16th march 2019 at Allama Iqbal Hall.

Our college students (25) along with 2 faculty members have visited the same and have gathered good knowledge about the scientist of middle ages and their great contributions to science and society.

There our students have got knowledge about the Dark period of science i.e, how and what was the reason for it and actually what was the dark period of science.

Also students got brief knowledge about the celestial bodies and how the perfumes are made out of the rose petals. By this visit students had a brief idea about the contributions of middle Ages Scientists.
