

Policy on Financial Assistance to Teachers to attend Conferences/ Workshops and Membership fee of Professional Bodies

Introduction:

UGC has laid down various guidelines for approach to quality enhancement. For this the central role played by the teachers needs no emphasis. To provide avenues for strengthening their teaching-learning the teachers have to be motivated to attend knowledge enhancing activities such as seminars, conferences, workshops, etc.

Financial Assistance:

Most private colleges are under financial stress to manage the college activities. Under such circumstances it is rather difficult to allocate a separate fund exclusively for providing financial assistance to teachers to participate in the above activities. Nevertheless, the college would keep in mind, the need of assisting at least those teachers who are to attend the above activities for presenting papers. This aspect shall be sorted out by the head of the institution on the basis of merit of the case and availability of funds.
