

## **ANNUAL DAY REPORT- 2017-18**

By the way this is the first Annual report of the college that I am representing before after I have taken over the charge of the Principle-ship in the last month itself. On this occasion, I would like to acknowledge the service and contribution of Dr. Smt. Roshan Ara who headed this college for more than one decade.

The academic year of 2017-18 is indeed a milestone and a significant in the long journey of the college. The college after its establishment in 1976 has already completed more than four decades and it has been rendering a great service in the field of higher education particularly in the field of women's education.

Without going into its details of the history of the college, I would like to remind certain highlights of its achievements and significance this institution was established by Janab S. A. Punekar the founder president of SECAB Association IN 1976. The vision and the mission behind establishing this college was to provide a quality value based skill oriented education to the women belonging to poor backward, minority classes and also of rural minority classes and semirural background and our was the first women's college in the whole of Vijayapur and Bagalkot district

With those noble objectives the college has been marching forwards new destination and it has already established its reputation as one of the best college in whole of Karnataka, this is not our claim, but in the year 2008 an educational survey conducted by leading magazine the Sunday Indian has announced the position of 5<sup>th</sup> rank among the best ten best colleges of our state. The College has already undergone two cycles of NAAC Accreditation reaccreditation process and shortly that is in 2019 we are going to face the 3<sup>rd</sup> cycle of reaccreditation.

In 2012 our college was recognized as college with Potential for Excellence (PCE) by the University grant commission. This recognition has given a great moral support to our efforts in our endeavor of achieving quality and excellence.

As sense of social awareness and commitment of society, people and community are the essential parts of our education. Our college has two units of National Service Scheme, consisting of one handed volunteers. This year they have conducted several activities such as visit to orphanage, campus cleaning, Tree plantation, free health checkup, surely programmes, etc. In the month of February our college and Akkamahadevi University Jointly conducted a special camp at the University campus at Torvi during this camp we took project like construction compound wall, cleaning of play ground, Health awareness and skill development programmes for women. I really congratulate the NSS officers of our college and all the volunteers for taking an active part in all those activities.

Cultural development is an inseparable part of the academic life. Under the chairmanship of Prof. N. M. Gunwan and their cultural committee has conducted on number of activities throughout the year these activities include celebration of cultural week, conduct of competition in Elocution, Signing, Fancy Dress, Essay Writing, Mehendi, Rangoli etc our students have enthusiastically participated in the completion, so I must thank the cultural committee chairperson.

Looking at the achievements of the college, there are several aspects and performances which make us feel proud If we consider the performance of the students in the examinations, of course, here lies our worth I'm extremely proud to mention here that literally every year our students secure at least three to four ranks to the Akkamahadevi University and for three consecutive years, we got first rank to the university and this year also we have

bagged three ranks in arts stream, and in the semester examinations this year the results are as following.

#### Rank Holders

- 1) Alfia Bilagi – II Rank
- 2) Arushika Hiremath IV Rank
- 3) Miss Rakkasagi X rank

I must really congratulate the students and the staff for their hard work, commitment and dedication in achieving such commendable results. In fact the college has been maintaining this standard for many years.

In the year 2016 we launched a post graduate centre in English we are conducting M A in English and even in that course also the results are highly encouraging.

In M A I semester out of 10 students 2 students got distinction and remaining eight students are higher first class and first class.

In M A III semester out of 13 students, two students secured distinction and the remaining are fist class and above. I once again congratulate all the students and the faculty members of the P. G. department for their remarkable performance.

At this juncture, I would like to announce here that our college has been permitted two post graduate courses in science – Miss Physics and M.Sc. chemistry, and from coming academic year, we are going to launch those courses.

As we often say that process o learning is an unending process the faculty of our college though most of them are well experience and qualified, they are constantly upgrading themselves with research activities, participation in seminar conference etc.

Many of our faculty members are being recognized by the women's University as members of board of studies board of examiners etc. It shows their reputation in their subject and field of work. Dr. Mohammed Afzal Prof. M. T. Kotnis, Dr. S. H. Malghan, Prof. C. L. Patil, Dr. M. S. Metri, Dr. L. I. Nadaf, Prof. S. R. Bijapur, Prof. M. M. Bagalkot, Prof. N. M. Gunwan, Dr. Girish Lendi, Prof. Khadri are nominated as members of Board of studies and Board of Examiners in their respective subjects.

Prof. M. T. Kotnis Prof C. L. Patil, have edited text books of Basic English for B. A. and B.Com II semesters. Similarly Dr. M. S. Metri has edited a text book in Basic Kannada.

The most remarkable achievement of this academic year is the award of Ph. D. degree to our learned colleagues. This Year three members of the staff have been awarded doctorate degree they are myself Dr. M.d Afzal in Physics, Dr. L. I. Nadaf in Chemistry and Dr. Jayaramaiah in Political Science. We really feel proud of them and excellence that may have shown in their subject, and Dr. N. Chidanand has been recognized by Kannada University Hampi as Guide for Ph. D. works. They have brought credit to the college also congratulations all of you.

We always believe that teaching alone will not shape the minds and personalities of our students; therefore we organize seminars, conference workshops exhibitions, guest lecturers which will greatly help in enhancing the knowledge and experience of the students and even the faculty. I would like to mention some of the highlights here This year, departments of social Science like psychology, sociology and political science jointly organized a state level seminar on 'social responsibilities of professional world: we must really thank Janab Riyaz Farooqui for initiating the concept of this seminar. In the same way department of commerce organized a seminar on 'GST' both the seminars were very successful and I complement all these departments for taking up these projects.

Similarly P. G. Department of English conducted two special lectures by Dr. P. Kannan, Chairman Department of English Akkamadevi Women's University Vijayapur on two different topics

Department of Urdu organized a book releasing function a literacy work in Urdu authored by Razia Sulana.

In the month of March all science Departments jointly organized an exhibition in which they demonstrated some basic but fascinating concepts of Physics, Chemistry, Botany and Zoology in the form of models. I congratulate all the faculty members and students for their great involvement in the project.

The students of Home Science participated in the intercollegiate food festival and contest conducted by SECAB Institute of Management and they also bagged the first prize of cash Rs. 5000/- in the contest.

This year two study tours were connected one by the Department of commerce to Dandeli and other places and another by the science section to Pune, Maharashtra and other places. I appreciate all the students as well as the faculty for organizing these two tours.

For the last three year our college has been bringing our News letter with the little Horizon and it highlights the major activities and achievements of the students as well as the staff. I congratulate and thank Prof. H. K. Yadahalli and editorial Board for all their efforts in bringing out this beautiful newsletters and the committee for encouraging the students to take part in the activities and thus creating a cultural atmosphere in the college. In the sports side our students have shows excellent performance. Particularly this year was a golden year in the sports history of our college. The cricketers of our college Miss Sweta Kulkarni, Miss Sneha Kalal & Miss Savita Kakmari contested in the international cricket tournament held at Katmandu Nepal Miss Shweta Kulkarni represented our college and the University in State Level Judo competition and bagged second Prize. Similarly in shot-put also Miss Tanzeela Ghasmandi has

shown an outstanding performance, and this year the following spots persons have been awarded university blue title Miss Tanzeela Ghasmandi, Miss Rakhi Kadam, Miss Shweta Kulkarni and Miss Savita Kakmari. I congratulate all these sports women for their best performance and I also thank Miss Parveen Chandaraki sports director of our college for guiding our students in various sports events like throw ball, athletics cricket, Tennicoit, Carom, Chess. Etc.

Miss Shweta Kulkarni and Miss Sneha Kalal of B.Com VI sem participated in IPL – Vijayapur cricket tournaments both of them are selected by Karnataka State Cricket Association for cricket matches. They also participated in Vijayapur Bagalkot premier league matches.

Coming to the individual achievements of our faculty members' starting with my own department of physics I was invited as a resource person for CET coaching conducted PU College for girls and Boys.
