Name of the Mentor: Dr. M S Metri

Issues raised by the mentees

1. Improvements in ladies room.
2. Provision of drinking water.

Name of the Mentor: Sri. H K Yadahalli

Issues raised by the mentees

1. Shortage of textbooks.
2. Sports and games activities may be increased.

These issues of the students were discussed in IQAC under the chairmanship of Principal. He noted all the points raised and gave the following directives/ reasons/solutions.

1. Cleanliness of classrooms and provision of benches in the classrooms
While classrooms are cleaned regularly, it is agreed that the rooms could be still dusty because of ongoing construction work in the college. However, this condition would soon improve after construction work is completed.
2. Drinking water being not clean is noted. A new water filter is installed in the first floor.
3. Benches in lieu of chairs. Agreed to. All class rooms will have benches in phased manner.
4. Improving wash rooms and ladies rooms. This issue will be taken up for immediate implementation.
5. Providing fans in the third floor class rooms. This will be done immediately.
6. Burning of dry leaves. This practice will be stopped. Tree waste will be disposed off in corporation vans.
7. Shortage of text books in library. It is not possible to provide text books to all the students from the library. Present book bank facility can be better utilised if students return the books in time. The students are advised to purchase text books and use library resources for enhancing their knowledge.
8. Adjustment of timings for science practical. Principal agree to look in the matter and assured that necessary changes will be made after consultation with Time table committee.
9. Change in college timings. Students had asked for college opening time to be made 7:30 am. Not agreed to, because most rural students would not be able to reach the college at such early hours.
10. Lecturer for teaching economics is appointed
11. Canteen infrastructure will be improved to provide separate sitting spaces for girl students.
12. Activities of conducting fun weeks, picnic and trips will be encouraged with immediate effect.
13. More sports and games activities will be possible because of acquisition of additional land exclusively for the purpose of outdoor games.
14. Delay in getting marks cards. The matter is taken up with the University and will be followed up.
15. Guest lectures will be arranged to increase awareness of opportunities for career advancement and employment.
