UUCMS Workshop

A workshop on Unified University and College Management System (UUCMS) was conducted by Department of Computer Science for first semester B.A and B.Sc students on 28th July 2025. The workshop aimed to familiarize participants with the system's features and functionality.

The UUCMS workshop was successful in educating participants about the system's features and benefits. By implementing UUCMS effectively, the university can enhance its operational efficiency and improve the overall student experience.
