## International Water Day Celebration.

The Department of Geography observed International Water Day with great enthusiasm and awareness among students. The program was organized to highlight the importance of water conservation and sustainable usage.

The event was efficiently anchored by Prof. M. M. Bagalkot, who conducted the program in a well-organized and engaging manner.

On this auspicious occasion, Miss Shilpa Biradar and Miss Afsha Sangalikar, BA Final Year students, delivered informative and thought-provoking speeches on the "Importance and Conservation of Water." They emphasized the growing water crisis, the need for responsible usage, and practical methods to conserve this precious resource.

Following their presentations, Prof. S. R. Bijapur, Head of the Department of Geography, addressed the students. In his speech, he elaborated on the current challenges related to water scarcity and encouraged students to actively participate in spreading awareness and adopting water-saving practices in their daily lives.

The program was presided over by the Principal, Dr. H. K. Yadhalli, who delivered the presidential remarks. He appreciated the efforts of the department and students, and stressed the importance of collective responsibility in preserving water for future generations.

The event concluded with a formal Vote of Thanks proposed by Miss Sugra Patel, BA final year student, who expressed gratitude to the Principal, HOD, faculty members, and students for making the program successful.

All the students of BA and BSc actively participated and attended the program, making it a meaningful and impactful event.
